SECURITY INFORMATION

ORR Daily Diary, 11 February 1952 (OAD/RR information unless otherwise stated)

25X1A

\* \* \* \* \*  
\* LOAN DOCUMENTS \*  
\* The ATTENTION of all analysts is INVITED TO ORR OPERATING PRO-\*  
\* CEDURE - INSTRUCTION No. 55 of 12 March 1951, CONCERNING the \*  
\* RETURN OF LOAN DOCUMENTS. We wish to emphasize the necessity \*  
\* of returning all loan documents IN TOTO to [REDACTED]. Some \*  
\* confusion has resulted recently when analysts have returned \*  
\* portions of a loan to [REDACTED] and other portions to the \*  
\* library. Analysts are encouraged to check with [REDACTED] \*  
\* by phone (Ext 2752) whenever doubt exists as to whether or \*  
\* not a particular document is available from the CIA Library \*  
\* or requires the preparation of Form 60-70 for inter-Library \*  
\* loan. There have been many recent cases where such a tele- \*  
\* phone check would have obviated the filling out of this form. \*  
\* Much time and effort could have thus been saved.  
\* \* \* \* \*

\*25X1A NOTICE \*  
\* [REDACTED] HAS a limited number of COPIES OF FORTUNE MAGAZINE\*  
\* on "The Government of the US." PLEASE CALL EXTENSION 2803 IF \*  
\* YOU WISH TO BORROW A COPY.  
\* \* \* \* \*

\*25X1A 25X1A \* \* \* \* \*
